Free To Fly . . .

Students at Elkton High School are free. Free to choose a general curriculum or a college preparatory one. Free to choose to be a member of a club or a member of an athletic team. Whether it's singing, studying, or skiing, Elkton High School students are at liberty to choose a career, take off with it, and fly.

Free To Be Yourself . .

Alone or together, students at Elkton can spend their freetime in their own way. They are at liberty to be themselves, whether they're cramming at the last minute, enjoying a moment of solitude, or chatting with friends. Each may fly off in his own direction.

Homecoming '81

The Homecoming tradition is a strong one at Elkton High. Homecoming week is a favorite one, and this year's activities include: Tee-Shirt & Jeans Day, Hat & Bow Tie Day, Costume Day and Poster & Color Day. The Junior class won the poster contest with their Winnie-the-Pooh theme. They also won the float competition.

After the parade through Elkton, Kim Sparrow, escorted by her brother Bobby, was crowned Homecoming Queen by Mr. Kelly and received the traditional kiss and spray of

roses. Senior members of her Court were Sandy Davis, Vicki Cebula, and Christine Vela. Underclassmen representatives in the court were Kim Keene, Terri Moore, and Abby Culver.

Then the moment of truth arrived. The Golden Elks faced the Aberdeen Eagles with the knowledge of a traditional win and a losing season. But the Elkton fans were not disappointed; Elkton defeated Aberdeen by a score of 7-6. Homecoming, October 17, 1981, was history and a happy memory

CLUBS

AFS

International Intercultural Programs

AFS provides an opportunity for American students to study abroad and for foreign students to study here. Each year money is raised to fund this exchange program by each local chapter. Under the supervision of Robert Mullen, the Elkton

chapter raised money by selling corsages at Homecoming and by hosting three students for a weekend in February. Elkton's exchange student this year is Hanna Jarvelainen, who is a native of Finland.

My year in America has been very interesting. I have learned much about the similarities and the differences between the cultures of Finland and those of the United States.

One of the major differences that I first noticed was that of the school systems. In Finland, after ninth grade the student has the choice of either continuing his education or leaving school to find employment. If a student wishes to continue going to school, he can choose a vocational school or a junior college. This is a school for three years, and I will attend it for

two more years when I am back in Finland. It prepares me for my future university studies.

The courses offered at my current school in Finland are mostly academic and required. We are always with our own age-group and usually with the same people the whole day. Because of this I found it very refreshing to get to choose my classes from so many different courses offered, and this way I also get to know many people from different age groups. The school spirit is something very special here. All the extracurricular activities make

Clockwise from bottom: Cathy Williams, Liz Wells, Elva Blankenship, Mark Hurm, Cindy Horner, Hanna

Jarvelainen, Renee Nowland, Kelly Webb, Doug Lindsay, Lisa Griffith, Jackie Williams

A Chat With Hanna Jarvelainen

the students become closer together. In Finland, we don't have all these clubs and sport teams at school. I think it has been very nice to join some of them.

In Finland I live in Helsinki, which is the capital of Finland. I have always lived there and had all the services I possibly could get near me. Living in Elkton, in a rural area has showed me many new things and ideas. Even though I am used to having all the cultural places and stores around me, I think it has been very nice to spend this year in the countryside. I had a lot of space around me, forests,

birds, and no traffic. I really enjoyed this, although I found I am quite urbanized.

I have had both ups and downs here, but because the ups take over, I am very glad that I came. I learned another culture and way of living. And I have also much time to think about my own Finnish ones and also respect them much more. I also learned many new things about myself and my personality.

My AFS experience also showed me how important it is to have peace all over the world, and I hope we all can achieve this goal.

A-V Club

Audio-Visual Club

From cassette players to movie projectors, the Audio-Visual Club delivers. Although life tended to be chaotic for the club early this year, the new members finally settled down into a workable system with the new advisor, librarian Jane Jury. Besides delivering and retrieving equipment, the A V Club, in conjunction with Mrs. Edwards, sponsored the annual book fair, A-V Orientation Day, another traditional activity, was held during mid-term make-up day. This day is set aside for teachers to learn how to operate any piece of equipment available. It's the A V Club that makes it possible to have all the visual aids which make class a little less dull

Band

The Golden Elks Marching Band began their season in the middle of August with a week of intensive practice. They performed at home and away football games. This year's half-time show consisted of six songs featuring the swing flags and rifles in "New York, New York."

In addition to Marching Band, students also participated in Full or Concert band. Selected students also participated in Jazz band. The Concert and Full bands played at Open House, the Christmas Concert,

and assemblies at the Middle and Elementary schools in Elkton. The Jazz Band entertained students at the Winter awards assembly and Spring Talent Show.

During the spring of 1982, the band participated in several competitions at the Convention Hall in Ocean City, Md. In preparation for this trip, band members sold citrus fruit, cheese, subs, raffle tickets, and 50/50 tickets. The competition proved to be an educational and entertaining endeavor for all involved.

Equestrian

Students who like horses are invited to join the EHS Equestrian Club. Many out-of-school activities keep the members occupied. Visits are made to horse farms, horse shows, and horse seminars on topics ranging from stable management and grooming techniques, to Western and English riding styles. Other activities include trail rides, paper chases and horse shows.

Key Club

The Elkton High School Key Club, affiliated with the local Kiwanis Club chapter, is basically a service organization. Once again the Key Club held food and toy drives during the holidays to provide for those who are unable to provide for themselves. Another Key Club service is running the concession stand during the various sports events. The Spaghetti Dinner, a Key Club tradition, serves as a fund raiser to support the Club's activities. Until the next regional convention, Troy Logan is the Lieutenant Governor of the regional organization.

With all the changes this year, the yearbook was no exception. Miss Anne Stroup, an addition to the faculty this year in the English department, and Mrs. Jane Jury, the new librarian, became the advisors for this organization. Students informed the staff what they wanted and the staff set out to produce a different type of book. Two workshops, one in Dover and one at EHS, acquainted the widely inexperienced staff with the pleasures

of lay-outs, cropping, and copy writing. Once the theme of "Free to Fly" was decided on the nit-picky tasks of selling patrons, laying-out pages, and fitting photographs began. Each section was developed so that it could best carry the theme with the creative talents of Miss Stroup and the incredible typing ability of Mrs. Jury, the yearbook staff created a unique yearbook capturing all the memorable events of 1982

Elhisco

Elhisco, the school newspaper, provides a means through which students can express their opinions on school policies and national and international issues. The paper also keeps the student body informed of school sports and activities, as well as reporting school news.

The Elhisco staff members are dedicated and consistent workers. These are qualities shared by photographers and writers alike, for they all have a common goal: meet the deadline.

This year the staff raised money throughout the year by selling boxes of M & M's. Over 200 cases were sold throughout the year. With the aid of advisor, Mrs. Liz Susie, the paper raised enough money to keep the paper out of the red and produce several top quality issues of Elhisco.

DECA

Under the leadership of Mrs. Mayer the Elkton High DECA Club continued to play an important role in the Business Education program. Through their in-class study, twenty-five DE I students explored the free enterprise marketing system as they followed the flow of products through the channels of distribution from the producer to the consumer.

The DE II students practiced their retaining skills by managing the school store.

The sale of candy bars financed the year-end trip to Inner Harbor Baltimore where students saw the operation of many branches of distribution.

FHA

The Future Homemakers of America had a productive year, especially at Christmas time. The club made and distributed coasters to the elderly residing at 150 East Main Street. They were doing their best to bring a little joy into the lives of those who are so often neglected. As presents for unfortunate chil-

dren, doll clothes were made by the members of the club. With the new year came a new project, a quilt for the first baby of 1982 born in Elkton. The FHA members worked diligently on the quilt for this special child. Their final project was the sale of Reeses cups to finance an overnight trip to Hershey Park.

DISCUSSION AND DEBATE

The Discussion and Debate teams placed in excellent positions in county tournaments this year. Both teams competed using the topic of economic changes needed in the current energy policy.

Students in the fall Discussion and Debate class competed against students from Rising Sun and Bo Manor. Elkton's team placed second.

Elkton was represented by Renee Nowland and Tricia Web-

ber in the county debate tournament. After arguing on both affirmative and negative sides of the energy issue, they emerged victorious. Renee Nowland and Cindy Horner represented Cecil County in Regional competition held in Philadelphia.

Elkton had the largest Discussion and Debate teams in the county. We are looking forward to a strong team next year as well.

The first official meeting of this year's Ski Club was held at the end of November. To raise enough money to ski as long as possible, Christmas tree ornaments were sold. In addition, week

ly dues were collected to help defray transportation costs to the slopes. Under the supervision of Mrs. Wagaman, the advisor, several trips to Doe Mountain were scheduled, as well as visits

to Camel back Mountain. Thanks to the incredible amount of snow this winter, the Ski Club enjoyed a long season.

INDUSTRIAL ARTS CLUB

The Industrial Arts Club is a new club in this school. It was originally the Drafting Club, but expanded to include all of the industrial arts. At the present time there are 61 members, ranging from seniors to freshmen. Mr. Logan, Mr. Whitlock, and Mr. Ellwood are the advisors.

NATIONAL HONOR SOCIETY

The EHS National Honor Society is a prestigious and active organization. Membership is based on scholarship, leadership, service, and character. The officers carry the most responsibility, since they are in charge of tutoring, and the student-of-the-month showcase. These officers are: Mike La Monica-President, Mark Hurm Vice-President, Cindy Horner Secretary, and James Buck-Treasurer. To raise money for the inductions, the Honor Society sponsored a trip to the College Fair in Philadelphia, sold chocolate chip cookies at Homecoming and sold Pilgrims at Thanksgiving. Other activities include a Halloween Party given for the Level V students in Gilpin Manor, and a poster contest for National Energy Day. National Leadership Day brought inductions and 27 new members to the Honor Society.

CHOIR

The Elkton High School Choir is a busy organization. Besides seasonal concerts, members audition for the All-County and All-State choruses in the fall. This year EHS had more students in All-County Chorus than any other school in the county. In addition, Elkton had sent three of the eight county representatives to Baltimore for All-State Chorus. However, the choir's main activity this year was the production of Irving Berlin's musical "Annie Get Your Gun."

STUDENT GOVERNMENT

This year's Student Government Council displayed a large amount of representative participation. During the course of the year, the student government sold parking tickets, organized the week of Homecoming activities and events and held a unique talent show.

SPORTS

The team had many organizational difficulties at the beginning of the season. However, with the guidance of their rookie coach Mr. Carrion, the team overcame their problems and were lead to a successful season. The team's record was 9-1. The only loss came against Rising Sun. The climax of the season was when Elkton met their county rival, North East, at North East. The Elks overpowered the Indians and delivered a 15-0 win. The girls traveled to the regionals on December 12 at North Carolina High School in Caroline County. Much to their disappointment, the girls met a much tougher competition and lost all three games. The girls and Mr. Carrion enjoyed the 1981 season very much

The J.V. volleyball team began their season adjusting to a new coach, Mrs. Carrion. Their adjustment period was swift for they were victors in the first game

The most important thing coach Carrion stressed was communication between team mates throughout the season. The tenth graders helped the ninth graders learn new skills. The team realized that it takes more than good skills to have a successful team, it takes sportsmanship

The purpose of the J. V. soccer team is to prepare for the Varsity team. Every day after school and on various weekends, the team practiced drill after drill and ran sprint after sprint. Coaches Voight and Shea focused their atten-

tion on how the game is played and not so much winning every game. Their strategy seems to be paying off with the Varsity team going into state competition this year.

The 1981 Varsity soccer team ended its regular season with a 7-3 record. For the first time in seven years, the Elk booters defeated their arch rivals from North East by more than one goal. This year's team was led in scoring by team captain Keith Hillsgrove and Stanley Strencejewski. Their leadership in combination with all out team effort, resulted in the team's advancing to the state playoffs for the sixth consecutive year. The soccer team advanced further in states than any other fall sports team this year

The Junior Varsity field hockey team had an extremely good season. They had a 7-2-0 record for the year and scored 22 total goals to their opponent's 6 goals. Julie Baker was the teams leading scorer with 9 goals. Keeping up the winning tradition for future varsity teams will be no problem with a J.V. team that played so strongly.

Again the spirit and enthusiasm of the varsity field hockey team came through. Although only two seniors returned from last year's team, the tradition of Elkton field hockey being county champions was upheld. Three outstanding J.V. players were moved up to the varsity team to account for the large number of seniors who did not return. These players were Becky Roff, Caryn McCardell, and Terri Moore. Leading scor-

er and one of the team's strong points was left wing Sue Ford with ten goals.

The team ended its regular season play with a 10-1 record. Following regional playoffs against J. M. Bennett the record dropped to 10-2. The regional game was tough and the Elks struggled until the very end, but as Coach Strubble said, "Not always does the best team win."

The 1981 version of the Golden football team had an up and down season. Facing the challenge of replacing 18 starters from the 1980 team, many new faces appeared in the starting line-up. Seniors Ernie Bowman, Dave Garrett, Phil Guenzer and Bobby Wood played outstanding football the whole season.

The two highest points of the season were winning the Homecoming game over Aberdeen and defeating arch rival North East.

The J. V. Football had a very successful season. This perhaps does not hold true when one looks at just the final record. The success of any team depends on enthusiasm, team work, learning, and having a good time. The 10th. grade class was responsible for the implementation of the above attitudes and provided the leadership necessary for success in scholastic sports. Some of the 10th. grade standouts were Mark Brockell, Dave Sentman, Tim Pickeral, Len Beecher, Randy Fields, Tom Rogers, Bart Runke, Gene White, Dan Culver, and Bob Van Leer. At the 9th. grade level, outstanding efforts were contributed by Glenn Beachy, Troy Hammons, Jerry Rash, Tom Heath, Shawn Murray, and Gilbert Kimpel.

The J.V. Basketball team had its second successful basketball season, finishing with a 17-1 record and a 9-1 record in the county. In the past 2 seasons, they're 30-5 overall, 19-1 in Cecil County and 11-0 against Harford County teams.

Head Coach Mr. Barrow stated, "The team was hard working and dedicated to a team

concept." Proof of this is that the team had 20 assists in one game, a J.V. record. Other team statistics include an offensive average of 65 points in a game and the defense giving up only 45. The biggest margin of points was an awesome 93-27 victory over Rising Sun.

The J.V. team had many key players, but their biggest factor was freshman sensation, Darwin Purdie, who averaged 20 points and 13 rebounds a game. Point Guard Lamar Jefferson ran the devastating Elks offense with efficiency, leading the team in steals and assists, while Bruce Hillsgrove did the

job defensively. Dan Harris and Chris Pennington filled in well when two of the J.V. starters were moved up to varsity. Harris hitting 60% of his field goals and 90% of his free throws, while Pennington hauled in 11 rebounds a game. Randy Fields was the consistent sixth man that all good teams need.

For next year, Mr. Barrow is looking for freshman Dave McMillan and Dave Bowers to provide leadership for upcoming freshmen.

The Varsity Basketball team finished with a 4-13 record. This was a rebuilding year for Elkton, after losing 5 seniors last year. The rebuilding looks good for the next year because of sophomore Mark Brockell, who was the leading scorer. Mark also made the All-County first team. Another sophomore, Dave Sentman, came up and inspired the team late in the season. Also, juniors Terry Cruz, Ron

Yerkes, and Reggie Cassidy will be back. The team looks very good for next year.

The EHS Girls' JV Basketball team had a successful season. With only three returning sophomores, Coach Bill Reese had to develop the young team and himself into a workable organization. Although they were inexperienced, the girls' enthusiasm and spirit culminated into eleven wins with only six losses. Three of these losses resulted from Class A opposition; the remaining three from schools which were defeated when played the second time. Important contributors to this year's team, Anne Dacey, a high scorer, and Carlyn McCardell, a leading rebounder, were two of the returning team members. The starting center, Rhonda Quay, was also a leading scorer with 22 points acquired in one game.

The Girls' Varsity Basketball team had a good season. With a 10 and 9 record, the girls advanced to the State Semifinals. Unfortunately, they didn't go very far, but the girls were still proud of their accomplishments.

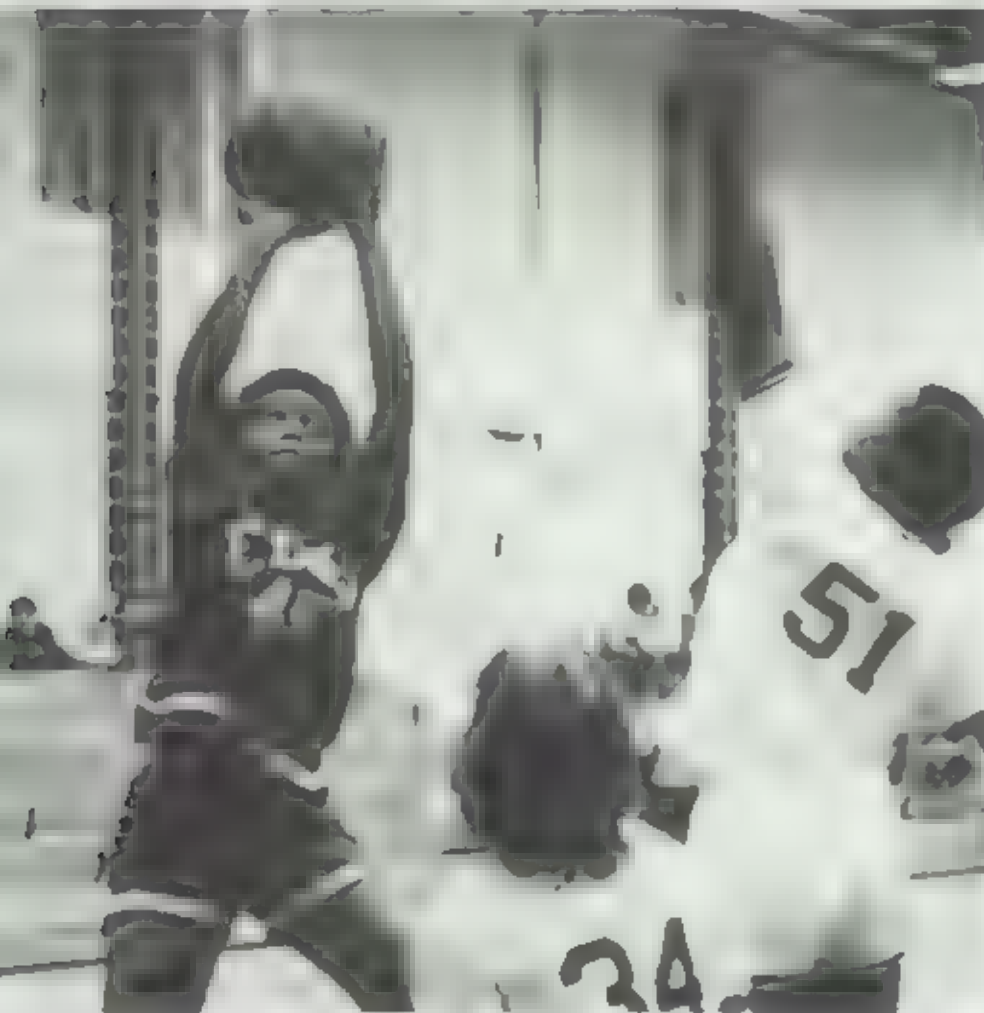

Losing one of their starters in the middle of the season really set the team back, but they stuck with it and held on to their county title.

All in all the girls did well and we will be looking forward to an excellent season next year.

The wrestling team finished the season with a 5-5 record. Two wrestlers, Scott Lee and Buddy Lockard, placed 8th and 2nd., respectively, in the State Tournament. Thus, the season can be considered as a successful one. Finishing second in the County wrestling tournament, the team lost to arch-rival North East. More importantly, team members learned a great deal this season, which will prove valuable next year since most of the wrestlers will be returning.

Getting off to a bad start did not inhibit the Golden Elks baseball team from pulling off a good season. Under the leadership of Coach Newman and Assistant Coach Reese, the team emerged with a 9-5 record and the County Championship. After capturing the Championship by beating Rising Sun 9-2, the team progressed to Region-

al playoffs. There they lost 4-3 to Wycomico

Outstanding players this season included seniors, Dave Willis, Phil Guenzer, Mike Bass, and Mike McKenzie. However, they were not the only stars. The underclassmen, led by Scott Mackie, promise a successful 1983 season

With an experienced team returning, the tennis team began the 1982 season with high hopes. For seven of the teams' seniors this was the third year of playing under coaches Don Brown and Kristen Kennison. In regular season play, the team progressed with an 8-3 record and became County Champions.

Co-Captains for the team were Troy Logan, a four-year letterman, and Becky Williams. Outstanding singles records were held by George Williams with an 8-2 record, Sherry Sullivan with an 8-4 record, and Becky Williams with an 8-2 record. Two players from the team moved onto the district tournament. These players were Steve McCullough and George Williams.

The Boys' Track team at Elkton High has always been successful. This year was no exception. "Track," according to Coach Wozniak, "is a sport that is a fine blend of individual and team effort. Success is measured not in winning or losing, but by improvements made through dedication and hard work." Outstanding seniors on this year's team were Sean Daly, John Beachy, Nicky Cocco, Paul Hammond, Bill Hughes, and Jerry Horne.

At the district meet in Salis-

bury, junior Mike Nunn placed first in pole vault competition. The boys' two mile relay team, Joe Draper in the high jump, John Beachy in the discus, and Chuck McCloud in the shot put, all qualified to advance into state competition. At states, Mike Nunn was 4th. in the pole vault, and the two mile relay team set a new school record with a time of 11:22.5. Bryant Dunston, Andre Smith, Sean Daly, and Jerry Horne were the members of the two mile team.

Although the beginning of the season looked grim for the Girls' Track team, strong team effort and dedication pulled through. Only three seniors returned from the previous year's team, but several underclassmen made up for this difference. Outstanding individual efforts were made by Danielle Carroll, Janice White, Betsy Lester, Shelby Bowser, Maureen Duffy, Stephanie Berg, Michelle Mineo, Corkie Barnes and Jada Ablang. Since this year's team was composed mainly of underclassmen, the future for next year's team looks very good.

The 1982 Softball team had a pretty good year. Even though the team didn't make it to the playoffs, they still were in the winning way. It was more of a rebuilding and learning year than anything else. The team will be losing only three seniors, Sandy Davis, Kim Grim, and Janice Jones. Behind every good sport there is a cheerleading squad. Being a cheerleader consists of trying out, learning the cheers, traveling long distances with the team, a lot of enthusiasm, and a loud voice. The Varsity squad was led by Sandy Davis, Captain, and assisted by Marti Kain, Co-Captain.

FACULTY

Administration

The Elkton High School faculty is comprised of the administration, teachers, and special services. Teachers are what make the school a school. Besides instruction, they also supervise the sundry extra-cur-

ricular activities. Special services include the librarian, guidance counselors, secretaries, cafeteria and custodial staffs. These people help each day to run a little more smoothly and the school to function properly.

Freshmen

The class of '85 enjoyed the challenge of organizing and building their first float for the Homecoming Parade. They also showed great class spirit with their posters for Homecoming week.

The freshmen class adjusted quickly to the sometimes not so accepting upper-classmen. They are also anxiously awaiting their sophomore year and the excitement of drivers licenses and class rings.

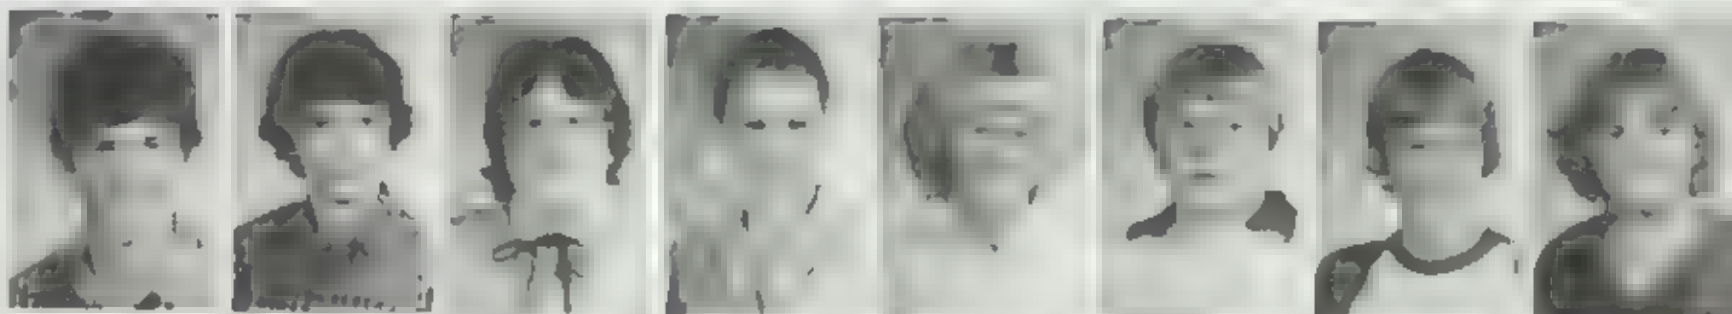

Earth Science, Civics, and English 9 are the typical freshmen classes. The freshmen will remember Earth Science for the study of rocks and the fossil expedition in back of the school. Civics for the history of Maryland, and English 9 for explaining the why and where of the parts of speech.

All in all, the class of '85 seem to be greatly anticipating the next three years at Elkton High School.

Class Officers are: President: Barton Funke, Vice-President: David Sentman, Secretary: Wendy Crouse, Treasurer: Terri Moore

The sophomore year is an exciting transition from the freshman days. The year consists of ordering class rings, getting invitations to various clubs such as the Key Club, and the Young Women's Civic Club, and taking the feared PSAT or SAT tests

This is also the year that sophmores take Drivers Ed and learn the basic skills of driving in the classroom, range, and finally on the road. Once this is completed, they travel to Chesapeake City with a parent to get the elusive drivers license

The class of '84 adjusted well to its new upbringing from the year of freshman life by placing second in the annual float contest and putting on a successful dance

Juniors

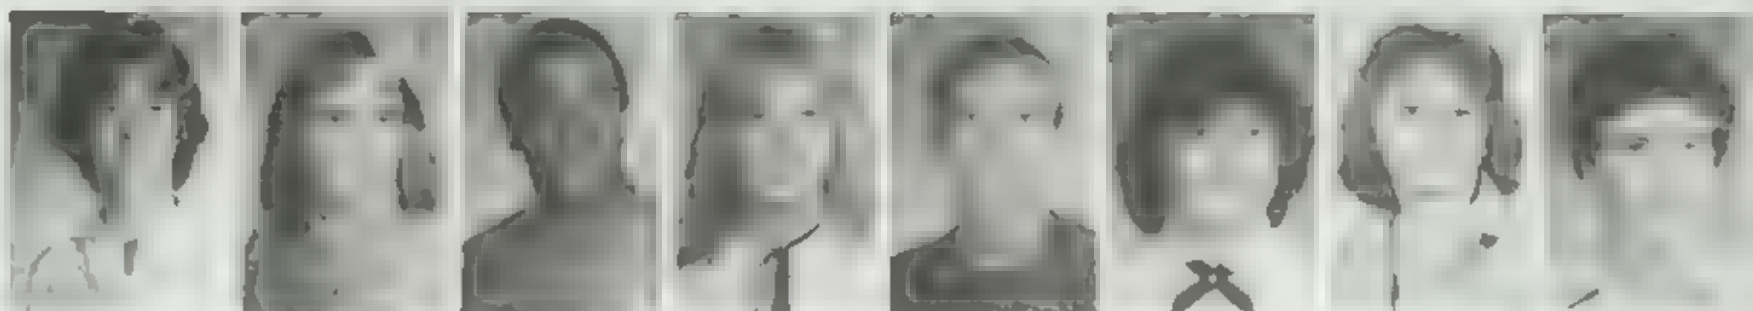

The Junior year is one of adventure and excitement. It is the year Juniors get their driving privileges and the use of the Junior parking lot. It's also the painstaking task of preparing for college by taking PSAT's and SAT's. And of course, with the Junior year comes the Prom

In February, the Junior class sold Tootsie rolls to raise money for the Prom. With the help of class advisor Mr Pete Callahan, and an all out calss effort, the calss grossed vast profits to aid in producing the 1982 Junior-Senior Prom

SPECIAL GROUPS

VO-TECH

Vocational Technical Program

For those students who are interested in a career immediately after high school, the Vocational Technical Center provides experience through class assignments in various fields of work. Whether the chosen career is in horticulture or auto mechanics or nursing, the Vo-Tech Center in Bay View com-

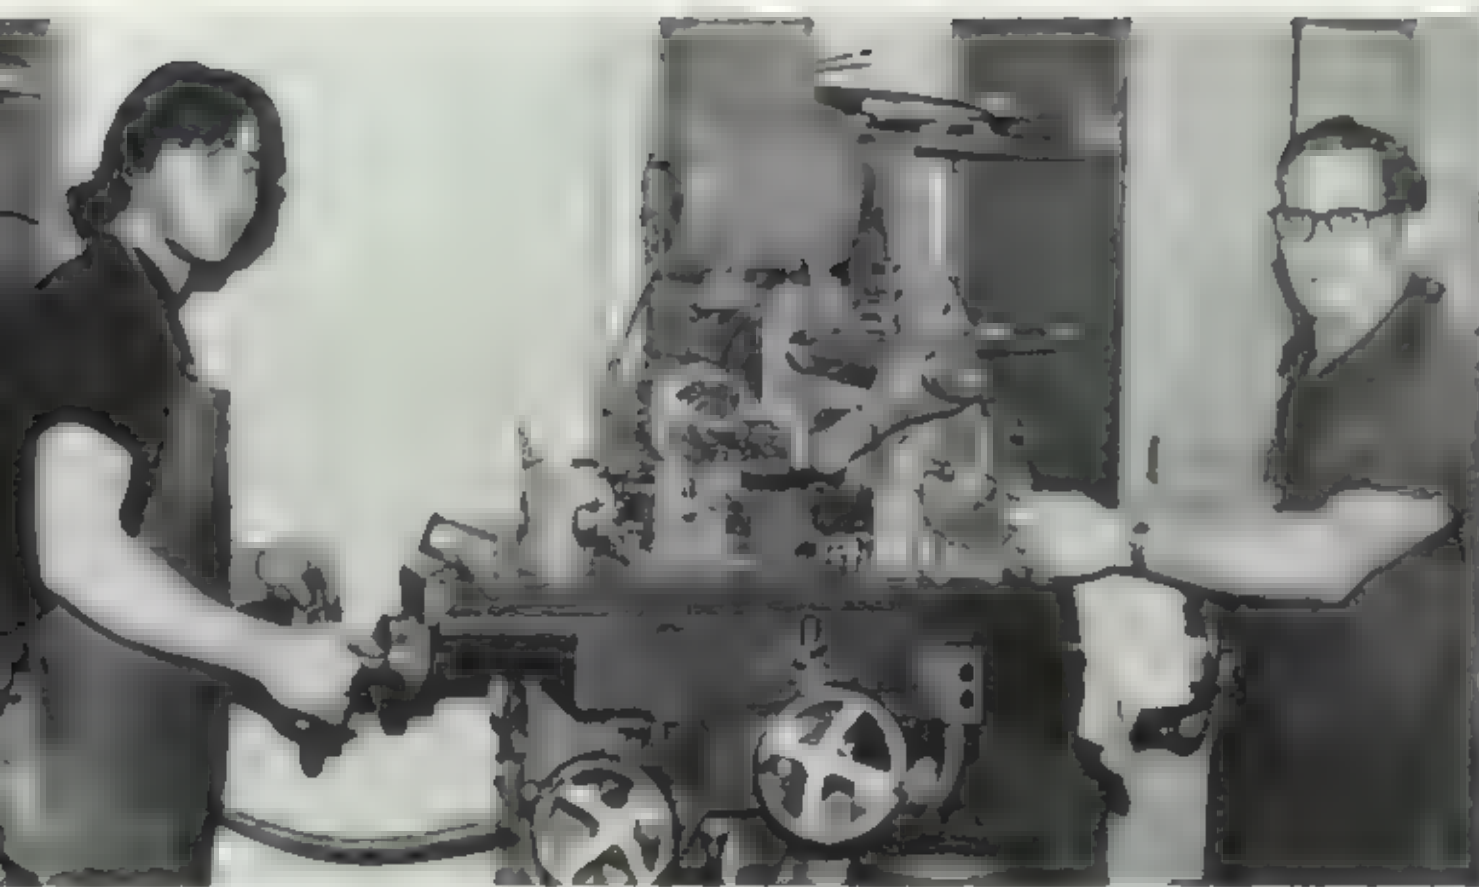

bines bookwork with practical applications. Students have the opportunity to become familiar with the "tools of their trade." Although attending Vo-Tech means spending half a day away from Elkton, credit and a half, and the valuable experience acquired more than compensate for the lost time

quirement for Auto Mechanics and Kevin Hill has this requirement down pat

Lower right Renee Nowland discusses a dramatic theme with Mrs. Whitten

The Gifted & Talented program at Perryville brings together the "best" from each school in the county for concentrated study. Students in the Advanced Placement-Gifted part of the program get 2 credits toward graduation and possibly college credit as well. Courses offered in A.P. Biology, A. P. Calculus, and A. P. English provide in-depth study

in their respective areas. Those students who participate in the talented part of the program study in various areas of the Fine Arts. Depending on the course chosen, 1½ or 2 credits can be attained. The areas of study include art, drama, and music. Most students agree that the G & T program is well worth the time and effort

Upper right: As John Bathon tries to finish his latest sketch, he learns an artist's life is never easy.
Center left: Don't interrupt me when I'm composing, complains Cheryl Ruckman as she glares at the camera.
Lower left: Taking one last look at

Center right: A.P. Biology can be amusing just take a look at Gerri Campbell's face.
Far right: A masterpiece!

VIC

VIC, the Vocational Industrial Cooperative Program, permits qualified seniors to leave school for half a day to work in the community. Not only do the students earn a much desired income, but they get experience which will give them the "edge" after graduation, in the job market. Mr. Don Nichols teaches the VIC class, a requirement for the program, and checks up on the students at work, to ensure they're getting enough hours and are successful on the job. Many local

businesses participate in the program and students are encouraged to get jobs in their intended career.

Hand-in-hand with the VIC program, the Distributive Education and Work Experience provide the same opportunity to work without some of the requirements. Whatever the reason: credits, money, or experience- the program of work combined with study at EHS, has proven successful many times.

On April 16 and 17, the Elkton High choir performed "Annie Get Your Gun", a musical production. Over two months of planning and rehearsing ensured a successful production. Directed by choir director Robert Bunnell, the cast spent many hours singing, acting, and memorizing lines.

In "Annie", Buffalo Bill and his manager, Charlie Davenport, host a Wild West Show starring Frank Butler, a highly acclaimed sharp shooter. In a shooting con-

test, Annie beats out Frank Buffalo Bill. Charlie and Frank tell her "There's no business like show business", and she joins the Wild West Show.

Throughout the play, Annie falls in and out of love with Frank, until a final shooting match brings them together. Buffalo Bill, and Pawnee Bill (another western show host) join forces and combine their shows. And they all lived . . . happily . . . ever after.

EASTER IN EUROPE

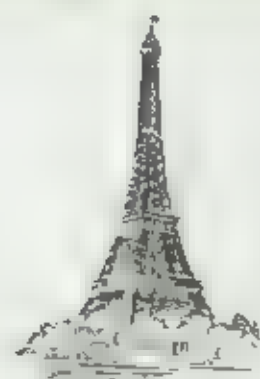

GERMANY

Mrs. Lenhoff went to Germany with some of the German students at Elkton High. Among them were Lisa Marking, John Crockett, Scott McMillan, Robin McMillan, and Andrew Lovejoy. They visited many cities such as Heidelberg, Innsbruck, Austria, and Munich. They toured the Olympic site at Innsbruck and at Mu-

nich, the Dachau concentration camp, and the Rhine fall at Schaffhausen. A good time was had by all since the weather was nice and the food was good. Their most valuable experience was meeting the people in the cities, and putting their language skills to use through real life situations.

ENGLAND

This year the English Department decided to get in on the fun of trips to Easter break. What better place for English students to go than England? So that's what they did. Ms. Karen Fleetwood-Kelly and two other English teachers from the county took interested students from Elkton, as well as one from North East to see for themselves the grandeur of their ancestors' country. Many exciting and important places were visited such as: Buckingham Palace, Westminster Abbey, Windsor Castle, Stonehenge, Stratford, and Oxford University. Pictures taken before and after show the transformation of the students as the fashions of England influence their American tastes. The group's members include: Anna Marie Silva, Beth Manlove, Lisa Griffith, Maureen Labriola, Dawn Besante, Robbie Smith, Tom Jackson, and from North East, E. B. Faulkner. Since the trip was so successful, many future trips to England are expected.

FRANCE

Each year, as part of the foreign language department, Ms. Craven, who teaches French, takes a group of interested students to France. There they can see and experience the French culture and landmarks they otherwise could only study in the classroom. Such famous sights as Versailles, the Louvre, The Cathedral of Notre Dame, and the Eiffel Tower were included in the itinerary of places to visit. Doing a little country-hopping, the group landed in Lucerne, Switzerland where they had the pleasure of being stuck for two hours in a cable car. Heidelberg, Germany was another stop for this year's group which included: Ron Yerkes, Stephanie Berg, John Bathon, Ron Mears, and Tracy Eshleman.

Special Olympics

"Helping Others." No where is this theme more exemplified than at the Special Olympics. Sponsored by the Key Club, one hundred student huggers supported participants and led them around to the various activities. Winners in each track and field event recieved medals for first, second, and third places. Again this year, lunch was supplied by McDonald's. The proces sional march, led by the EHS Marching Band opened the festivities and Principal John B Kelly and a chosen athlete lit the symbolic torch of the Olympics. At the end of the day, the athletes and huggers attended a concert provided for them by the EHS Jazz Band

Clubs

In the never ending strive for perfection, the administration has initiated a new club program at EHS in compliance with the need found by the evaluators for departmental and non athletic clubs. Students may select from a wide variety of organizations. From these previously existing, such as the newspaper or ski club, to newly formed ones, such as the computer club or old movies club. Every student must select one

club or special study, where once a week he will go during the assigned period. The days and periods are rotated to avoid inefficiencies in any particular class.

The administration hopes this will result in a better faculty-student rapport and a better student morale. Although the program has barely begun, next year it promises to become a regular part of the routine.

Prom

The Junior-Senior Prom was truly a night to remember. Held on May 21 in the Singerly Ballroom, the prom was a whirlwind of delight and romance. The careful preparations and decorations the juniors struggled over added to the night's splendor. Gowns of white eyelet and fine lace mingled with every color tux imaginable and everyone was full of fun and

smiles. Music from the band "Stringer" filled the air with excitement and put everyone in the mood.

"We've got tonight", ran thru everyone's minds as they found their partners for the theme song dance. Everyone will never forget this night for it was a special part of the 1981-82 school year.

PRESENTATION OF AWARDS	Mr. John B Kelly Principal, Elkton High School
PRESENTATION OF DIPLOMAS	Dr. Leroy Manlove Member, Board of Education of Cecil County
BENEDICTION	Reverend Charles E Barton, Jr Minister, Elkton Methodist Church
RECESSIONAL... "War March of the Priests"	F Mendelssohn

The 1982 Graduating class assembled on a rainy Sunday in the gymnasium with high hopes that the weather would change and the ceremony could be held outside. Fortunately, this hope came true, and 276 seniors marched through the mud holding on to their caps to receive their diplomas. The wind was so fierce that the potted palms blew over as soon as they were set up, but this did not dampen the spirits on June 6th. Furthermore, a good crowd gathered and the

graduates smiled through it all

After a lighthearted welcome by the class president, Sandy Davis, the Senior Chorus sang "The Gift of Love" and "America the Beautiful" accompanied by Cheryl Ruckman, who also played the processional and recessional, on the electric piano. Next came a speech by the Valedictorian, Lucinda Horner, who moved to Elkton at the beginning of her Junior year. Following Cindy, Mark Hurm, a last min

ute choice for Salutatorian, gave an insouciant speech on Graduation speeches with a few goodbyes thrown in for good measure. Finally, Dr. Manlove presented the treasured diplomas and declared the students graduates of Elkton High School

As soon as Mr. Kelly recognized the top 5% of the class and awarded the Valedictorian and Salutatorian trophies, the recessional began and the tears flowed on and on and on and on

Upper right: According to Mark Hurm, one of the toughest parts of Graduation is sitting through the speeches.
Upper left: Cindy Horner recounts all the memories of the class of '82 in her solemn speech.
Center left: In her welcome, Sandy Davis wishes everyone a good time at the beach.

Center: The last performance given by the Senior Chorus.
Center right: John Bathon remembers that it's left over right when receiving a diploma.
Above: Seniors are all smiles as they listen to the speeches.
Right: Sean McCauley touches his hat to make sure it's real.

Upper left: A moment to pause and give thanks for having made it through school.
 Upper right: Mike Bouché ponders this event.
 Center left: Donna Bell's singing in the rain.
 Center: As senior class advisor, Mr. Shaffner worries about all the things that could go wrong.
 Center right: Mrs. Miller and Mr. Nichols lead the pack.
 Lower center: Graduation is a day of mixed emotions.

Above: Everyone, including Ann Butcher, received some sort of instruction from Mr. Bunge on where to stand.
 Right: The rain stopped, but the puddles remained.

George Williams- My inconsistent tennis game to Mr. Brown, my ability to kick a football to anyone who can use it, and some good memories to Maureen Labriola

Rebecca Williams- My scholastic abilities to Lisa, Julie and Gerry in hopes that they will use theirs to the fullest. To future tennis teams, many great times, victories, and much determination. And to Elkton High, I leave some of the best friends I'll ever have.

Steven Witting- Some good times at EHS, to Toad the ability to park in the senior lot next year legally. To C.W. I leave a year of good times, then bad, stay out of trouble

Bob Wood- #33 to Bruce Hills Grove in order that he may maintain it's high standard of quality both on and off the field, to Mr. Langan, my thanks for being my coach and my friend, and most of all I leave my love to Karin

Robin Woodruff- To Miss Sargeson, luck with her classes still to come. All my love to Tommy Wright, for ever and ever

Diana Wright- Elkton High with many fond memories To Mrs. Bull, a new Short hand II class. To Mr. Meeks a new aide, and to Jeff, all my love

Thank You For Supporting The 1982 Yearbook.

IN MEMORIAM

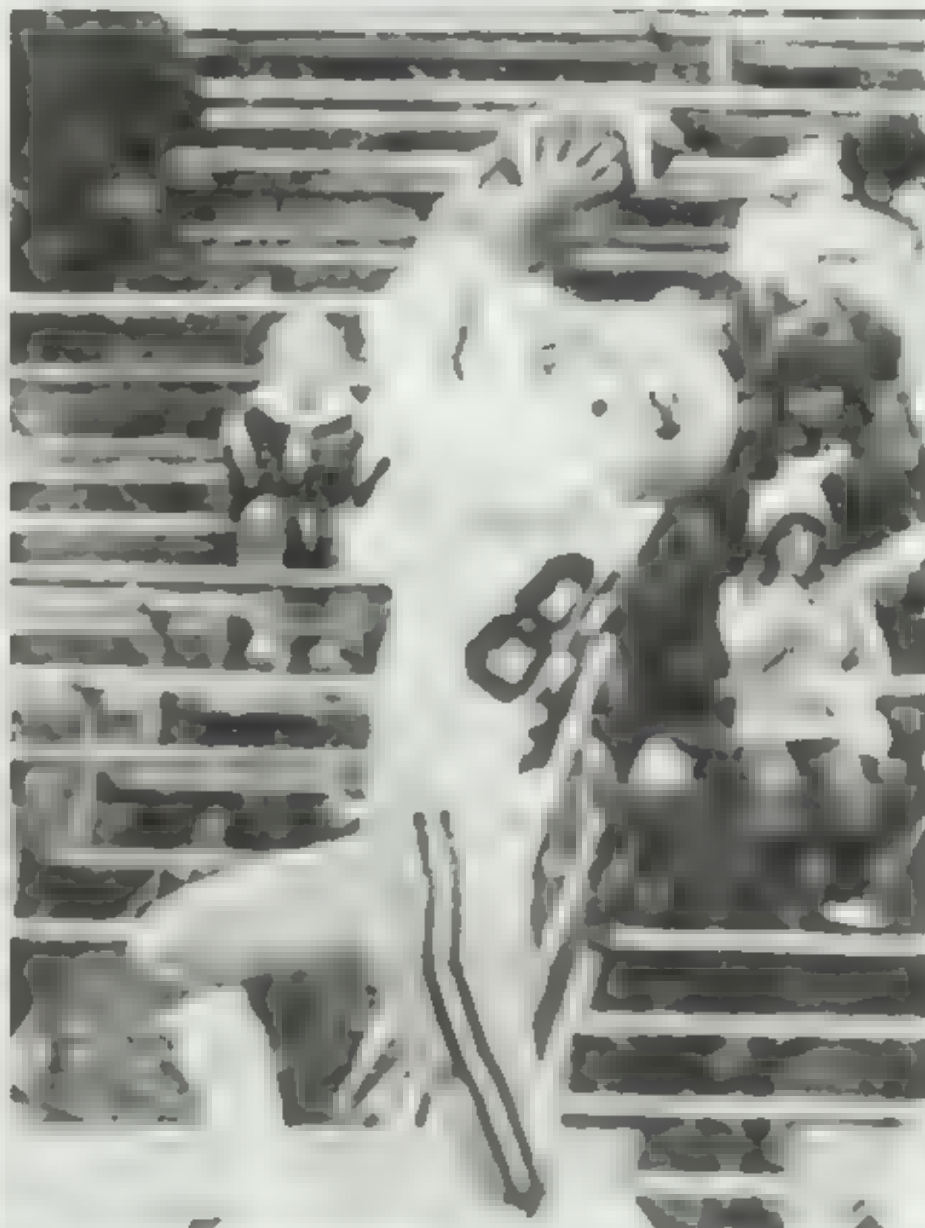

PAULINE W. ASTI

Hopefully, the 1982 Antler captivates all the memorable events, both joyous and sad, of the 1981-82 school year. It is different in many respects to the annuals published immediately before it. This year the staff has tried to produce the type of yearbook most desired by the student body. Generally, this meant more pictures and less copy. Thus, many candid shots have no captions. After all, one picture is worth a thousand words.

I will never forget this experience, the first deadline, the longing to kill the photographers, and all the anxieties and fun. In light of their perseverance and optimism I would like to express my sincere appreciation to our advisors, Ms. Stroup and Mrs. Jury, without whom the task of producing this yearbook would prove impossible. Their attitude and ideas contributed greatly to pleasant working conditions. To Chris Malanga I'd like to express my deepest gratitude, for without her efforts many a deadline would have been missed. Finally, I mustn't forget last year's advisors, Mrs. Booth and Ms. Craven, who answered so many questions and alleviated so many doubts, and other faculty members who lent their support to our endeavor.

It is with great pride that I present the 1982 Antler. Enjoy.
